ABOUT SANS LIEGE

Sans Liege is my relentless search for independence. Equally aligned with the freedoms of the New World and the heritage of the Rhône Valley, I am careful not to hold too closely to either. Tending fruit in vineyards that have captured my heart from Paso Robles down to Solvang, these sites speak for me and I for them; the only partners now on this path I tread.

- Curt Schalchlin, Winemaker

TASTING NOTES

Attempting to block out the voices of the cynics, you traipse further into the woods. The forest air smells of **cedar**, **framboise** and **coffee dust**. The dirt path has been steep and now leads you past a small stream lined with **river rocks**. You pause there to sip **cherry juice** and catch your breath. You will find it. As you push yourself forward, scents of **cinnamon** and **shortbread** waft your direction. Then you spot it. There's a faint light on the horizon.
